

Taking Of Labourers To Port Limon

### Painful Situation In The Island Of St. Kitts, Say Newspaper

STRONG CASE MADE OUT FOR THE LABOURERS

The "Dominica Guardian" of a recent

A man may be his own master, to do what seever he pleases with himself, or to betake timself with kinself, or to betake timself with becaver he likes but when it comes to people of the labouring class-most of them ig-normat, simple-minded men-being al-lured by puid agents of foreign Com-panies to leave their families and homes, under mere verical promises of better pay than they can get at home, it be-comes something like criminal neglect on the part of any Government that will make no effort to checkmus the de signs ving upon this most important quee n, but it is quite clear to is that y do not go far anough. All that the the Government as to his "cree tinls" and the status of the company which he is recruiting, but there is question of binding any such party, partiss, to the fulfilment of any pro-se which they may make, or obliga-us ondertaken, with the result that as the congrant get to the field of our they invariably find to their grief is orrow that they have been ba-led. This is an old, old story which he of party and partiality repeated he congrand question of the party, already been enacted on Yeneruchan, nech, Danish and Braziliar soil, and is to fredy and painfally repeated he Canal Zone and adjacent places in that America, since their exploit by tituencoordering for creasing which is a constrained of the second secon

#### Such A Large Number Of People

Such a Large summer of respic the Captain Says that the vessel was easured twice by the authorities, and it succine is together only ago passen-ers, but that as a result of relegrams which used between him an the chartered Com-my, he indicer so here we have the aut-nities. rampling upon their own laws in the "that Rinish engrees should be facil-ted to leave British sort to go and face easy curvely and lawthere abroad at the small craft, and a Port Limon et, who saw them in this con-tevesel, could not help asking to f her class could have left a twith such a cargo? The Cap-"Alderney" said he had it hard s passengers from mutiny on the manificat of the vessel at the Port Limon the men were re-respondent to the same the bour-t marks or numbers." But this eventually receted. When it o to work the men, who were kits that they would get a dol. If a day, which (they say) was to the as a 6 shillings. found hem as 6 shillings, found by as 8d. They thus refused we been making a rumpus of the deception practised ice all the trouble which lich, happly has so far not strougly.

Indiced. But which, happly has so far not enaced more disattroatly. There can be so doubt that the position is a serious one, and it is perception of the the men are not disposed to accept the terms offered them, specially since their discov-ery that the object of the United Fruit Co., in getting them over was to flood the coun-try with charp labour at their expense. All this trouble would not have arisen if the Parish Administration (Imperial and Col-omal) were more mindful of the interests of its black subjects. The Government refuses to face the labour problem at home, which prevents the labourd-form reconciling time self to the "dis they limit," But when it compares to allowing recruiting <u>age(X of 100)</u>

#### To Take Them Away

## Great Comedian II

#### Bert Williams

At this time, Williams says, he was " a great almanac mau" He was the young man who always read, remembered and related the latest jokes, and he was always popular at the entertainments that the colored people were accus-tomed to give at the churches and elsewhere

Other of pre-classwhere. One day a colored man named Lew Johnson, who kept a barber shop in San Francisco, asked Bert Williams if he did not want to join a little company that he in-tended to take up along the coast to play the Jumber camps, be-tween San Francisco and Eureka, and then come back by way of the mining camps at the western edge of the mountains. That was the way Bert Williams gained his entrance to the stage. After his return from this trip he went to the way Bert Williams gained his entrance to the stage. After his return from this trip he weat to work in a vaudeville theatre, in San Francisco. If wasn't a very high-class theatre, but it was a great school for him, and Mr. Wil-liams says he learned his profes-sion there. Starting in this humble way as

grant school for him, and Mr. Wil-liams asys he learned his profes-sion there. Starting in this humble way, as a member of a little mountbank winstrel show, Mr. Williams has gone on quietly, modestly gain ing the goodwill of the public and the respect of his associates, util he now has a secure and es-tablished position in public favor. Perhaps I ought to mention one incident in that career. In 1908, when the Williams and Walker Compasy, were playing at the Shaftesburg Theatre in London. England, Mr. Williams was invit-ed to attend a lown 7pM2 at the quests at a birthday party of the present Prince of Walas, grandson of the late King Edward VILThere bejsucceeded in making bittle prince, and princes, who were anxious, especially, that he should teach them all his dances. The me add, in conclusion, that during all the years I have known for about any racial discrimina-tion. He has gone right on, in season and out of sears, has had out of sears, doing bio perfecting himself in his york. The has reached the top users, The fine right on, in season and out of sears, has had for a number of years has had not an unber of years has how for the has reached the top users. The fine right on, in season and be to do any work on the stags. The fine right on, in season and he williams is a the fulless fife is shown by the fact that during all Mr. Walker's illness Mr. Williams is a tremendous asset of the Negro race. The is

fact is that the American fact is that the American people are ready to honor and to reward any man who does something that is worth while, no mate4 whether he is black or white, and Bert William's career is simply another illustration of that fact.

BOOKER T. WASHINGTON.

#### Improvement in Britain's Trade

The general improvement in Britain's trade in 1910 is ilus-trated by the decline in the num-ber of banckruptcies, which ac-cording to statistics just issued have been the lowest recorded for twenty-three years. There have been set in the statistic is are of insolvencies in the dry goods. trades and in farming enterprises. The Ministerial press hails this as a triump for Mr. Lolyd Goor-senten the set of the statistics are some trade may be depressed al-hough foreign, trade is prosper-ouse the set onote that when there is less speculation, which where is the cost in good times, there must necessarily be fewer and the set of the statistics are there is less speculation, which where is the cost in good times, there must necessarily be fewer and the set of the statistic is are there is the set of the statistic is and there is less speculation, which where is the cost is prosper-tives.

failures. It follows that a reduction in It follows that a reduction in insolvency may be caused by a cutting down of the credit that used formerly to be given, or by the adoption of more cautious methods of trading, with a ten-dency to do as much business as possible on a cash basis. In boom-ing times risks are run by traders which would not be considered in periods of alextness and deuree periods of slackness and depres-

"Still, with the reduction of "Still, with the reduction of unexployment and in other ways there has provide the more spending power among the schere see in the United Kingdom than before", ends the report.
