Drowning

At 9 a.m. on Tuesday a man named Ishmael Pyrolle a native of Cartago, 28 years of age was found drowned at the Seawall of the yard of the F. C. C. R.
It appears as if the man went to bathe and was taken out by the current and was unable to make good a landing.

Insane

An old and respectable resident of this town put in his appearance at this office on Tuesday morning and from his actions it was evident that he was not in his proper senses. On investigation it was discovered that Mr. Solomon Sparring formally Timekeeper for the Maintenance Dept of the N. R. Coy. was insane.
He was taken and sent away to the hospital as he was getting pretty furious. We hope Dr. Echeverria will soon be able to restore him to his former good health.

Personal

We are pleased to see among us Mrs. E. C. Gayle of Jamaica who has come over to spend a few weeks at the side of her husband our esteemed friend Mr. E. C. Gayle.
The Times wishes Mrs. Gayle a pleasant stay among us again in Costa Rica.

Robbery

On the night of the 24th inst a most daring robbery occurred at one of the buildings of Ramon Gonzalez.
Two men who arrived from Jamaica, a week ago and obtained quarters at the building in question, and happened to be engaged at the National Pier, while they remained at work some one entered their room and relieved them of their belongings.
It is rather mysterious as this building is patrolled by several police at nights.
It may be that the police are too sleepy for the thieves, or that the thieves are too wide awake for the police.

La conspiración

La prensa de San José, á excepción de «La Prensa Libre», ha mirado con suprema y culpable indiferencia, el desarrollo que va tomando el conflicto suscitado entre las compañías bananeras, autorizando con esa indiferencia á que se cometan hechos vergonzosos por una Compañía, que quiere á todas luces monopolizar la exportación de banano.

Es de extrañar por ejemplo, que un diario de San José, el viejo gloriador, lleno de triunfos y coronado de laureles, venga al cabo del tiempo, á permanecer en silencio, cuando se cometen hechos que atentan contra la soberanía de la República.

El problema que hoy se resuelve, es de vida ó muerte para el País: si la Atlantic Fruit se va de Costa Rica, porque se le pone toda clase de obstáculos, queda como dueña absoluta del banano la United Fruit, y entonces, entonces podremos palpar las consecuencias de un monopolio que dejará al País en la más triste bancarrota, porque el agricultor nacional tendrá que vender sus productos por el precio que á la United le dé la gana; y sabemos que por desgracia, esta compañía echa mano de toda clase de armatoste para acaparar dinero, poseyéndolo todo, olvidándose de todo.

La audacia americana es peligrosa: ya en días pasados, Mr. Mullins con audaz serenidad, desmintió públicamente á las autoridades de Limón, y la Prensa de San José suprimió esta bofetada á la Nación con pasmosa indiferencia, y como Pilatos se lavó las manos, haciendo aparecer á este periódico como adulterador de la verdad.

Los hechos que puso en duda hace pocos días un diario de San José han resultado ciertos, y su embudo, por una simple manifestación de la prensa de Limón, la Prensa Capitolina ha callado, tejiendo candidamente quizá, la peor de las conspiraciones como es la del silencio, que la United Fruit aprovecha, creando en rededor de la Atlantic un ambiente de disgusto y de pleitos, para hacerla antipática y temible, cosa que, afortunadamente no sucederá, porque hace mucho tiempo conocemos el aullido del lobo, que se esconde en el monte para sorprender á las ovejas.....

LIMÓN:

SUS CASOS

Y SUS COSAS

UNA pregunta. —¿Por qué no se puso á las órdenes del Comandante de Plaza, don Emiliano Padilla, la policía que pidió Mr. Mullins? Nosotros, humildemente, creemos que es la primera autoridad militar quien debía manejar toda la policía ó tropa que venga á la Provincia de Limón. Quizá así, se habrían evitado algunas pequeñas parcialidades, que nos aseguran se han cometido.

NUUESTRO colega «La Prensa Libre» trae en su edición del 24 un editorial que pone muy en alto el nombre de ese diario. De ella habíamos esperado siempre esa actitud, porque sus redactores con más laureles que años, saben defender los derechos del país y del pueblo.

SIGUEN los señorea del banano, haciendo de payasos; mandan levantar cercas de alambre, y se las manda quitar; gritan que el banano de Costa Rica está todo contratado por ellos, que no temen la competencia, y se ponen á embargar un puñado de racimos. Por desgracia no quieren convencerse estos señores, que lo peor que

puede pasarle á una entidad ó á una persona cualquiera, es caer en ridículo.

SE está ensavando una Velada á favor de los damnificados en el terremoto de Poró Amarillo, y que se dará en los primeros días del mes entrante. Esta Redacción, rinde las más expresivas gracias á las damas que la están organizando, por haber tomado en cuenta su pobre situación.

EL martes en la mañana murió ahogado Ismael Portillo, natural de Cartago, de veintiocho años de edad. Parece que intentó bañarse en el tajama del ferrocarril, y por descuido ó mala suerte, pereció ahogado. Paz á su tumba.

ESTA noche dará su primera función en el teatro Colón, el Comendador señor Carisi, profesor ilusionista. Ojeando un libro de recortes, que amablemente nos mostro, encontramos infinidad de artículos de varios periódicos, que acreditan su trabajo, como ilusionista de primera línea. Esta noche, pues, veremos algo nuevo, y algo bueno, ya que hemos estado haciendo de niños durante las representaciones de los títeres.

NUUESTROS amables lectores nos excusarán por la poca lectura que lleva este periódico. Son nuestros deseos, que del martes en adelante salga una

plana más de español, si las circunstancias lo permiten, para entonces daremos más amplia crónica local y extranjera, y extenderemos un poco el campo para la colaboración.

NUUESTROS muy apreciables colegas «La Época» y «El Republicano», no se han servido hacernos el honor de su cargo. Creíamos nosotros que todos los periódicos acostumbraban á mandarnos los caujes, pero estamos equivocados por lo visto: sin embargo, nosotros tenemos muchísimo placer en ser leídos por todos los colegas... por aquí no hacemos excepciones.

EN «La República» del 25 vemos que gracias á Dios, admitió el proyecto que prohibe el negocio de cupones. Otro golpe para los señores del banano; ya se les acabó el negocio de los papulitos á la fuerza. Felicitamos desde ahora á los pobres trabajadores y al pueblo en general.

PARTIÓ para San José la señorita Blanca Pardo á radicarse definitivamente entre su familia. Con nuestro adiós, van nuestros votos muy sinceros por su felicidad.

¡Bananereros!!

Vendo los siguientes lotes de terreno, ó acepto un socio capitalista para cultivarlos:

Lote de 200 hectáreas tercer orden-situado en la Segunda División Atlántica colinda por el Sur, con la finca «La Colombiana» de la United Fruit Co. Los cultivos y tranvías de esta finca llegan hasta el lindero de mi terreno.

Lote de 150 hectáreas, situado al sur de la finca «Venetia» también de la United Fruit Co.; y como en el primero, los cultivos y tranvías de esta finca, llegan al lindero. Ambos terrenos son planos, tienen abundantes maderas y garantizo que son excelentes para el cultivo del banano.

Limón, junio de 1912

Cosas del ciudadano United Fruit Co.

El sábado 21, como á las 11 de la noche llegó el tren que recibió la fruta de la Atlantic Fruit Co. Venían en el tren doce policías y un sargento, quienes desembarcaron y formaron, y estaban como en espera de órdenes, cuando se les acercó el abogado de la United, Licdo. don Ramón Zelaya, y recibió del sargento un parte detallado de todo lo ocurrido, parte que desgraciadamente no se pudo oír; pero si se comprendía que aquel agente de Orden y Seguridad no era un mal agradecido, correspondiendo con ese proceder al buen trato que los señores de la United les dan, olvidando sus deberes, primero, de ciudadanos pagados por la nación (pero mantenidos por la United, para que no sean parciales); y segundo, la disciplina militar, de ir donde su superior á comunicarle lo ocurrido, y recibir órdenes.

Un curioso que esto presenciaba se encaminó rápidamente á la Comandancia de Plaza á informarse si esa policía estaba á sus órdenes para que fuera á imponerse de esa irregularidad, pero le contestaron que el Comandante no tenía que ver nada con esa gente, y que debía ir á comunicárselo al señor Gobernador bajo cuyas órdenes directas estabau. Los curiosos

son el mismo diablo; al individuo en cuestión se le ocurrió volver al patio del Ferrocarril donde se efectuaba el embargo de esa fruta. ¡y hay mi hijo! cada don policía se tenía una hembra de compañera con cara de tapón y barriga de botella de whisky, que según las malas lenguas sacaron á esas horas (once y pico de la noche) de no se sabe dónde para observar á quienes tan bien se habían portado. Aquí fué Troya! el curioso como nadie le observó, se fué á cumplir con su misión á casa del señor Gobernador, tocó la puerta, y oh susto! le salió otro don policía quien le requirió para que desamburchara lo que deseaba, y una vez impuesto de todo lo que acabó de detallar, de mala gana se fué á comunicárselo á don Gerardo. Al rato salió, se metió otra vez, y volvió á salir con una candelita de cebo encendida, y después de una mirada al curioso, y dos á cada uno de sus acompañantes dijo: «dice el Gobernador que se lleven á... curioso á la cárcel por quejarse de la policía.»

Comunicar esa orden con aquel tono que se gastan los que á su amo sirven, fué uno, y contestar, que no eran policías, los acompañantes y testigos de curioso, fueron dos.

Nota.—No se permiten ni concientes comandarios porque se enoja el ciudadano United

Banana Buyi q.

The undersigned on behalf of the Atlantic Fruit Coy. is prepared to buy bananas, and treat with the growers for the delivery of bananas at once. The first shipment will be made from purchases made the 14 & 15 inst. Bananas will be received at points to be named, at 34 cents gold and alongside the ship in boats or in Carload Lots at 55 cents gold.

We solicit the support of farmers, to help to keep us doing business in the country until we shall have been able to establish on a firmer basis, by the purchase and planting of our own properties.

We call attention to the benefits that have accrued to the public Jamaica by the competition of our Coy. Which we have been able to place the Fruit industry of that country on a substantial basis to the grower. Therefore do not listen to idle proposition that may be put to you for the object of getting us out of the way, and then bring you back to the former disastrous state of affairs.

Now is your time Planters! Open your eyes and help to encourage competition in the country. It is our intention to treat every man alike, and to help the small Farmers to cultivate his holding for our Mutual Benefit

THE TIMES

— PORT LINDA, COSTA RICA. —

THE COUPON SYSTEM.

If ever there was a community that has exhibited the virtues of Patience it is Limón. "Patience a virtue" has been well borne out by the the labouring as well as the Commercial Community of this province and as Count Monte Cristo felt that all true human happiness is contained in the two words "Wait and Hope" so have we waited and hoped, and all things seem to come to those who wait in faith, so do we seem to feel today the realization of our hopes viz, the putting on equal footing all commercial enterprises. Coupon and Chips shall soon be a thing of the past and Orders shall represent cash wherever presented. From the inception of the Commissary system of the U. F. Co. the coupons has always been the leading feature of their success. Labourers Artisans or Clerks, have all had in their own way to submit to the Czarism of this system. A man gives his labour for whatever small wage may be allotted to him, he gets paid every 20 or 45 days as the case may be, his family takes ill and he needs cash to summon a doctor or other needs, he applies for an advance on his wages, he gets coupons, to convert this coupon into cash to meet his urgent needs, he has got to discount it with some dealer, losing twenty per cent of his already small earnings, because the dealer discounting his coupon cannot go into the Wholesale Commissary and make a purchase but must go into the Retail Dept. and buy at the same price that he must sell plus his incidental expenser. To the casual observer, the Broker may appear villainous but on investigation it will be seen that the 'fleecing' lies on the part of the Coy. How can we ever cease blessing and praising Don Anibal Santos and Señor Peralta for the stand they have taken in bringing before Congress this all important matter with the certainty of carrying it through because as he says "there is no deputy in this Congress that is sold to any Foreign Corporation" and as Deputy Santos says, "If there are any slaves in Costa Rica, they are labourers of the Atlantic Zone and Abaugares Mines or other industries where the labourer has to take his wages in coupons or chips." Hence let us hope that this slavery will die with the rising of Congress.

As justly observed in your last issue: we see on all parts of the lines, that contracts which for the past years had been so difficult to be had even when solicited, are now running daily to the door of the poor man who possesses a comparison of ten roots of bananas. We farther notice that the bananas which were greatly ignored by the U. F. Coy. viz. 6 hands has carried very high price on the 15th inst, as on that day it was seen that such bunch went up to the price of one colon paid by an official of the U. F. Co.

What has brought this about? My answer is Competition. Therefore to the far seeing man it be observed that a competition is needed. Let us encourage it by giving every available stem of fruit to the new company. Another remarkable point is this: We noticed for some passed years diseases of all kinds had taken hold of bananas and such would not be received, we see that a very clever doctor has effected a cure since the 9th inst for there is apparently no more diseased bananas.

Now if you should ask what is the cure for diseased bananas? My answer is the Atlantic Fruit and Steam Ship Coy.

Therefore let us all secure the services of that Dr. and not allow him to leave the country. Thanking you for space,

I am etc.,

FARMER.

Parismina.

Moses Liveth.

Mr. Editor,

Sir:—Permit me space in your valuable columns to say a few words on behalf of Moses.

Moses the Great Magician of old being skilled in all the Arts and Sciences of Ancient Egypt, which knowledge was incumbent on every Pharaoh preparatory to the accession to the Throne; excelled all the other Masters of his time.

Not only was he the master of Egyptian sciences but this Moses was also endowed with the privileges of Divine Knowledge and a special commission from the Great Jehovah as an exemplary Representative and Leader which placed him amid all the antagonism of his time, as one of the greatest if not the greatest figures in Ancient History, a knowledge of which has been handed down to posterity over perpetuating the name of this noble Sire of Israel, hence it remains an indisputable fact that Moses was

and since he liveth is still a great Master.

The Moses of the Mosaic Templars desires it to be clearly understood by the element which has been exemplifying itself against its cause that he lives above materialism, hence he heeds not the babbling of intruders, the denunciations of the seeming wise, prudent and just, the modern Pharasee. Such things, forms and specimens he has outlived; and will advise that with all the enmity and jealousy, the eye of envy and maliciousness characterising his contemporary, that the Order of Templars irrespective of all attempts as his malicious venture to harm the progress of that Body, has come to stay in this and any country where it has been and shall be planted.

I look with an eye of pity and love on our adversary and bid him God Speed through the unchanging scenes of time, bid him awake to a resurrection of reformation and newness of life, to loftier ideas, purer motives and a more exalted occupation than the one in which he is at present engaged. Poor poor dum slave. I pray the Angels speak for him, for had I wit, word or utterance I would put a tongue into every thought that would raise the ether which now surrounds his soul to a height of greater harmony and bliss.

To this intruder I would again advise as a word to the wise is sufficient, that he removes the beam from his own eyes, the filth which encumbers his footsteps and retards his progress and will through evolutionary change; that he shift the dark and musky battlement which now captivates his soul implanting Light and Love; that he may be wise and sow seeds of kindness to be reaped by his posterity in future days, that when his weary soul shall have quietly passed away into the living splendour of Eternity, it may yet be the privileges of Moses or some of his Israelitish Host to cast a long last look of compassion and pity upon him and rest him in the soil there to await the great morning.

Could he but climb where Moses stood

And view the landscape o'er,

He would shout for joy

And praise his God

In triumph ever more.

Thanking you for space.

Your Obedient Servant,

ISRAELITE.

Atlantic Fruit Company

This Banana Company which has hitherto upheld the competition in the
purchase of fruit in Jamaica during the past 6 or 7 years with great benefits
to the planters and for the public good of that Colony load 6 or 7 steamers
weekly. We have an equal number of agents in Mexico, Cuba, Honduras and
Nicaragua with a fleet of 30 steamers at our command for the transportation
of fruit for the supply of the market of the United State and Germany

With the object of establishing in Costa Rica on a secure basis we entered
into negociations with Messrs Lindo Bros for the purchase of a considerable
number of farms, this negociations at the last moment has reached a regret-
table stage; the Company in spite of these difficulties have the hope
of arriving at a satisfactory settlement, and on their part are disposed
to comply with the stipulations in order to lose no time they have decided
to enter into contracts with the Banana producers through me.

The price which the Company is prepared to pay is as follows-34 centavos
American gold for first class bunches, and 16½ for second according to the
classification in practice in this country payment will be made in cash on pre-
sentation at the offices in San José and Limón of the checks issued by the
employees of the Company. The Bananas are deliverable on the line of rail-
way at the usual platforms.

The Company will give the greatest facility and advantage for the
cutting and delivery of the fruit.

For further information please apply to the under signed Agent at his
office which will be shortly opened in this city.
