## Echos of Shooting Church Brigade. On "Alva" in Bluefields

A young man named Oswald Edwards, a Jamaican, came over from Bluefields and interviewed us relative to the recent occurrences at Bluefields on board the launch Alva belonging to Capt. Bruce Sergeant.

This man says that he was contracted here by Sergeant on behalf of the Atlantic Fruit Coy to go to Bluefields to work their plantations there. He left here on the Alva in company with 33 others, in the full conviction that he was going to work for a responsible coy., but when he reached Bluefields they found they were fooled by Sergeant, for they were carried to a place 160 miles from Bluefields and delivered to one Sam Cooper, formerly of Limon to work for the Caribbean Coast Planters Coy. instead of for the Atlantic. They all therefore refused to land where they were taken to as they were told they were going to a place 5 miles from Bluefields whereupon Captain Sergeant threw the provisions over board and told them they had to land or starve. They all remained on this boat for three days entreating him from ashore to take them back to Bluefields because he took away the battery and sails from the launch, the men then started to pull up the anchor whereupon Captain Sergeant started firing from ashore on them all with a Winchester rifle by which Edwards got shot in the arm breaking it. The men were then landed and he taken back to Bluefields.

The Rev. Mr. Worsfold, one of the Assistant Priests at St. Mark's Church is endeavouring to organize a Boy's Brigade in conjunction with the Church. We hope the parents and guardians of children will give the rev. gentleman all the help he may require. It is understood that a portion of the military attire for the boys have already arrived such as caps, belts, etc. Mr. Worsfold deserves a modicum of praise.

## Thieves on The move.

During past the week thieves were particularly busy in the neighbourhood of the Government pound. Washerwomen are mourning over their loss, clothes that were left over night in the open air to bleach were stolen. Nocturnal theft is rampant of late up town. It is hoped that the police will keep a good look out for these midnight rogues.

where Captain Sergeant spent 14 days in jail, subsequently paying a fine he says of 900 dollars gold of which Edwards got nothing for the damage to his land. He went to the Consul there for protection, who told him he could do nothing for him because he travelled like a fool as most Jamaicans do only trusting to the word of any one, without a written contract. He however found him a passage back to Limon. He is now on his way to Jamaica to see what steps he can take to recover for the damages he has suffered.

## Lindo Fruit Company

En una conversación que en días pasados tuvimos con Mr. Cecilio V. Lindo, tuvo la amabilidad de manifestarnos este señor, que la compañía que bajo la razón social se denomina Lindo Fruit Company, tiene la resolución de radicarse en Costa Rica, y que para el efecto, está él (Mr. Lindo) comprando terrenos para hacer nuevas fincas; que a fines del mes en curso partiría para Toronto en donde permanecería algunas semanas, y que luego regresaría para establecerse definitivamente en este suelo.

Le interrogamos a cerca del pleito que tiene pendiente con la Atlantic y nos respondió que en caso de perderlo él, con el dinero que le entregaría la Atlantic compraría nuevos terrenos para la Compañía Lindo Fruit de la cual es socio gerente y Administrador General en Costa Rica.

Nos agregó que en la actualidad tenía ya compradas más de dos mil novecientas cincuenta hectareas de terreno para cultivarlas por cuenta de la Lindo Fruit.

Esto, a nuestro parecer, reviste grandísima importancia, y nos extraña mucho que los periódicos de San José, como *La República* y *La Información* que alardan continuamente sobre todo en las últimas ediciones, de patriotas que han extendido la mirada hacia el más allá, y que ven solo el bien que pueda reportarle al país, nos estraña decimos, que hayan guarda-

do un silencio tan curioso, sobre todo tratándose de Mr. Lindo, persona que le ha hecho tantos beneficios al país, y bajo cuya sombra se han hecho tantos capitales.

Este asunto de Mr. Lindo y de la nueva Compañía que va a venir, es de gran trascendencia, porque el solo hecho de que habrá mucha mayor competencia, será una alerta para los agricultores, que en vez de hacer arreglos con la Atlantic, esperarán a que llegue la otra a ver si les conviene más la proposición que esta última pueda hacerles, reduciendo este hecho insignificante en apariencia, en perjuicio de la Atlantic.

Lo que falta saber, es si no ocurrirá con la Lindo Fruit lo que ha ocurrido con la Atlantic que después de hacer los gastos para venir hasta aquí, Mr. Lindo, la abandonó, pasándose al opuesto bando, es decir: A la United Fruit Co?

No nos dejemos alucinar, los hombres que mucho ofrecen cumplen pocas veces lo ofrecido y como las mujeres, escriben sus promesas, allí donde pudieran borrarse con más facilidad.

De todas maneras, siguiendo la misma regla de conducta de los diarios de San José con la Atlantic, es bueno que los agricultores esperen los resultados, a la vuelta de Mr. Lindo y que antes de comprometerse recuerden que la ley, obliga a cumplir los compromisos que al amparo de ella puedan contraerse, aunque no sea más que una opción.

Viejo Mundo, que tras las visitas hechas, quedaron sorprendidos de la prosperidad cada vez mayor de aquellos países, especialmente de la Argentina, que está orgullosa de su grandeza, empezando ya los hombres de esta última República a preocuparse de otros asuntos más elevados que los sempiternos comentarios al comercio de las carnes congeladas y a la exportación del quebracho, tema exclusivo hace poco de las conversaciones de los argentinos.

Más que los de ninguna otra nacionalidad, los escritores y actores franceses han encontrado una hospitalidad cordialísima, no careciendo, ni mucho menos, de numeroso público los conferenciantes galos.

Causa extrañeza al observador la particularidad de que no se hayan dirigidó antes todos los argentinos en demanda de intelectuales a la madre patria, España, que por cierto, no carece de literatos y artistas de una cultura verdaderamente superior, pero esto se explica dado el carácter de los españoles, cuyo espíritu hidalgo repugna las combinaciones comerciales, no sometándose a la costumbre establecida por otros de contratarse para ir allí a dar conferencias.

### Aviso

El doctor caballero por estar muy mal de salud, no puede por ahora atender a nadie y suplica se dirijan a don Lucas Alvarado ó a don Horacio Castro.

### LIMON:

Sabemos que en días pasados un particular elevó un memorial al señor Gobernador de la provincia, para que se hiciera quitar el campamento de los peones de la United Fruit que está en una calle de las más centrales de la población; aduce el particular ya citado, razones que ponen fuera de duda la razón que le asiste para formular una petición tan justa. Por creerlo de interés general, en nuestro número próximo nos ocuparemos más extensamente de un asunto de tanto interés como este.

—Señor Comandante: usted, como persona de buen gusto, no pudiera hacer gestiones en San José a fin de que mejore un poco la banda militar de este puerto? Es verdaderamente lamentable, créalo usted, el estado en que se halla actualmente, a pesar de todos los esfuerzos hechos por el Director, Señor Barahona para mejorarla un poco.

—Del Canadá, después de dos años de estudios, regresaron las Céspedes, hijas del doctor don Benjamin de Céspedes. Nuestro atento saludo.

—Para Colombia parte hoy el Comendador señor Carisl, profesor ilusionista que en las pocas funciones que dió aquí, dejó más que satisfecho a nuestro público. Nuestros deseos son, que el Comendador coseche muchos triunfos en su carrera de artista, ya que le adornan tantas cualidades en su habilidad de presdigitador.

—Algo enferma estuvo en días pasados la señora esposa de don Zacarias Chavez. Hoy está completamente restablecida, de lo que nos alegramos muy sinceramente.

—Nuestro amigo don Abel Robles, se encuentra enfermo de algún cuidado. Nuestros votos por su pronto restablecimiento.

—Ha sido nombrado Jefe Político de Desamparados, el Señor don Otto Prestinary, en reemplazo del Coronel Robles, quien se encargó de la Comandancia de esta Plaza. Partió el sábado pasado el señor Prestinary a encargarse de dicho puesto.

—Nos hace presente el señor Comandante de Plaza, que el reo de que hablamos en días pasados y quien estáfó a la Compañía del ferrocarril, no ha entrado en la cárcel todavía. Lo hacemos constar así.

—Se encuentra entre nosotros desde hace varios días, la señorita Amalia Chacón. Aunque tarde, le enviamos nuestro atento saludo y le deseamos una grata permanencia entre nosotros.

—Siguen los embargos, y sigue la United procediendo con suma ligereza en sus asuntos. El ferrocarril entregó en días pasados la fruta embargada por la United a la misma United, sin autorización de ninguna persona ni de ninguna autoridad, y luego, para lavarse las manos le manifestó a Mr. Witmore, que la fruta estaba a su disposición, pero esto lo hizo cuando la Atlantic no podía hacer los trabajos para embarcarla. Ya es tiempo

de que el Gobierno tome cartas en el asunto muy seriamente, y que vea quienes son los agricultores de esta región que pueden vender libremente el banano a la Atlantic, porque mientras esto no suceda tendremos siempre el mismo pleito, y estaremos viendo a la United aprovecharse de esta obscuridad para perjudicar a las demás compañías que pudieran hacerle la competencia.

—Partió para San José, don Manuel Brenes. Le deseamos un feliz viaje.

—Nos parece a nosotros que en el tren que se va a las diez de la mañana, no debían poner los administradores del ferrocarril esa cantidad de carros de bananos porque tenemos entendido que dicho tren no es de carga sino de pasajeros.

Acusamos recibo, con las más expresivas gracias, al diputado don Alfredo González por el envío de su folleto titulado «Exposición y proyecto respectivo presentados al Congreso Constitucional» sobre los Bancos Hipotecarios.

—Para la vieja Cataluña partió ayer don Avelino Alsina y familia, el infatigable trabajador, que ha visto recompensados sus esfuerzos, y que en la lucha por la vida a sabido triunfar tan valientemente, enseñándonos

lo que vale una voluntad de hierro y una labor constante puestas al servicio de una causa. Queda su ejemplo para los que no hemos podido vencer aún.

### ¡Bananeros!!

Vendo los siguientes lotes de terreno, ó acepto un socio capitalista para cultivarlos:

Lote de 200 hectareas—tercer orden—situado en la Segunda División Atlántica: colinda por el Sur, con la finca «La Colombiana» de la United Fruit Co. Los cultivos y tranvías de esta finca llegan hasta el lindero de mi terreno.

Lote de 150 hectareas, situado al sur de la finca «Venetia» también de la United Fruit Co; y como en el primero, los cultivos y tranvías de esta finca llegan al lindero. Ambos terrenos son planos, tienen abundantes maderas y garantizo que son excelentes para el cultivo del banano.

### El despertar intelectual de una República

Uno de los más importantes diarios de la metrópoli americana, *The New York Post*, se ocupa editorialmente del grado intelectual a que ha llegado la población de las grandes ciudades argentinas, en especial Buenos Aires.

Declara el escritor al comenzar, que toda Sur América está pasando actualmente por un período cultural semejante al que hace tres generaciones tuvieron los Estados Unidos del Norte, cuando los literatos de la Gran Bretaña iban a la Unión a dar conferencias, que despertaron en el pueblo norteamericano las aficiones estéticas y artísticas que hoy se han desarrollado bastante.

Dice que Anatole France, Georges Clemenceau y Jean Jaurés, hacen hoy en Sur América lo que en épocas ya lejanas realizaron en los Estados Unidos, Thackeray y Charles Dickens, sembrando en la joven República las semillas de una intelectualidad cuyos lozanos frutos han llegado en la actualidad a su completa madurez. Agrega el editoradista:

«En estos últimos tiempos, el Brasil y la República Argentina han tenido la virtud de despertar la curiosidad de los hombres de letras del

## Squirres Note.

Mr. E. T. Wright of Siquirres was in town last week and informed us that he had sold out the business formerly carried on by him, known as Jack's Hotel to Mr. Beckford. We wish his successor as prosperous a career as Mr. Wright had.

## Mr. Lindo

Mr. Cecil Lindo came to Limon in a hurry on Sunday by special train, the objects of his trip caused great speculation. His Superintendents seem to be of the greatest assistance to the U. F. Coy. in this campaign against the Atlantic Fruit Coy. It must have been amusing to see General Marshall ordering them from his banana train on Saturday at Mr. De Dios. He concluded that both Mr. Finlay and Mr. Mullins were spies, and not being officers of the Northern Railway, had no right on that train and he demanded of Mr. Burke that they be dropped, which had to be done.

## Mosaic Templars In Bluefields

We notice among the passengers who left on the motor boat Alva last week for Bluefields, was our friend Mr. John Ivey, State Grand Master of the Order of Mosaic Templars. We understand that his mission is to organize another branch of the above named order at that place. We wish him success.

Miles ago the past week. The boats were as much in evidence as on former occasions but had defied them to land on his territory as he was shooting squirrels.

This young man was a match for all the scouts. He gave out a notice that he would have been shooting squirrels from his cacao trees on Friday and Saturday last, hence he would not be liable for damages to trespassers.

On Friday morning he started firing a few shots which was a signal for the advanced guards of the scouts to keep off. This young man has under his supervision the farms of Mr. Chas. Beckles, Mr. Rogelio Pardo, Mrs. Vargas and the Misses Ennis. The Beckles and Vargas farms are under contract we understand, but the others are not, hence the Coy. called out Mr. Beckles to see that his contract was not violated, but no one could enter or they might have been taken for squirrels.

## Is this a trust?

The Atlantic Fruit Company seem to be having it pretty tight all around, we learn on good authority that the firm of Brown Brothers who are among the largest bankers in New York, cabled a request to the Commercial and Mercantile Banks to lodge security for this Company for 100,000 dol., but they both declined doing so on the plea that their business with the U. F. Coy. did not permit them doing anything in opposition to the wishes of that Coy. Is this a trust Coy. or not?

# Banana Buying.

The undersigned on behalf of the Atlantic Fruit Coy. is prepared to buy bananas, and treat with the growers for the delivery of bananas at once. The first shipment will be made from purchases made the 5 & 6 inst. Bananas will be received at points to be named, at 34 cents gold and alongside the ship in boats or in Carload Lots at 55 cents gold. We solicit the support of farmers, to help to keep us doing business in the country until we shall have been able to establish on a firmer basis, by the purchasing and planting of our own properties. We will call attention to the benefits that have accrued to the public Jamaica by the competition of our Coy. Which we have been able to place the Fruit industry of that country on a substantial basis to the grower. Therefore do not listen to idle proposition that may be put to you for the object of getting us out of the way, and then bring you back to the former disastrous state of affairs. Now is your time Planters! Open your eyes and help to encourage competition in the country. It is our intention to treat every man alike, and to help the small Farmers to cultivate his holding for our Mutual Benefit (Sgd.) R. C. Wetmore.

## THE TIMES

—Port Limon, Costa Rica.—

### THE EMBARGO LAW.

The feelings in the Province are running very high against the high handed actions of the U. F. Coy. by the embargoes put against the property of people who have no business transactions whatever with them, and if the Government does not take quick steps to remedy the defeats of the embargo law it is feared the consequences will be serious.

This law, to say the least of it is particularly unjust, and in saying this we feel putting it very mildly and it is a wonder that some of the lawyers in Congress who have had intercourse with countries more advanced in civilization do not look to repeal such a ridiculous law, or put in an amendment. In no civilized country is such a thing permissible, the idea that anyone who cares to hamper another has perfect right to levy on one's goods and close up his business before he has proven his case in the Courts. To imagine that a man feels he has a grievance against you, he does not state his case for the opinion of the Court first but he levies on your goods and chattels by depositing 20 per cent on the value he may put on his case; to recover your articles to start your business anew, you have to deposit the amount embargoed plus fifty per cent, meanwhile he only deposits twenty per cent. that is, a man embargoes one's property for 5,000 dollars, he lodges 1,000 meanwhile to go along with your business embargoed you must deposit 7,500 dollars, is there equity in a law like this? In the meantime he need not present his claim against you until 90 days by which time a man's business is ruined.

The Atlantic Fruit Coy. say that had they known of the existence of such an inequitable state of affairs they would not have invested here at all. It is time therefore that the government ought to see that this law is repealed or amended, as there is no equality in it, but rather appear to have been instituted by the powerful to hamper and harrass the weaker.

### Tactics of Rv. Officials

As is well known, all the bananas bought by or put out on behalf of the Atlantic Fruit Coy. for shipment on Sunday were embargoed on Saturday by the U. F. Coy. and shipped by the Boston boat on Saturday night. On Sunday at 2 p.m. Mr. J. H. Burke sent a letter to the Representative of the Atlantic Fruit Coy., Mr. Wetmore, informing him that the Railway Company was ready to hand over to him a corresponding amount of bananas to those that were embargoed, which offer was promptly refused by Mr. Wetmore on the grounds that 'his fruit was full three quarter measure the fruit offered was full fruit besides the delay that would be

## Echoes from Santa Marta

There has been a persistent rumour to the effect that the Atlantic Fruit and Steamship Coy has had to withdraw from Santa Marta, whereas we see in "La Voz" of Santa Marta up to the 23rd June that s.s. Albingia left there with 20,080 stems of fruit and that the Atlantic Fruit Coy. has asked permission to erect a Wireless station, as well as the U. F. Coy., hence the rumour seem unfounded as the papers from that town do not mention about any uneasiness in the financial standing of that Coy. We note in the same paper that the U. F. Coy. shipped in the month of May 360,487 stems from that port.

### The Commission.

The Commission have been at work all day in the Municipal Offices taking statements of aggrieved parties; besides the three gentlemen named by the President. There is also Don Oscar Pinto, as interpreter and Don Juan Rafael Moya as Secretary. They will go out all this week visiting the farms from which the Atlantic is supposed to be getting their bananas, to see what claim the U. F. Coy. has over them. They visited Xirinachs and 2 Miles farms yesterday where they met dozens of tenants who feel that they were free to deliver their fruit to whom they care. A dispute arose over the boundary line between the Xirinachs and Santa Rosa farms. Mr. Vino claimed that Koper and certain others who pay Don Miguel Xirinachs rent are in the Coy's lands of Santa Rosa farm. The Engineer of the Commission visited the lines and the Foreman of Mr. Xirinach showed them the true line, but he is asking for Engineers to open the lines hence nothing is decided as yet. They also visited the famous La Amelia farm

caused to his boat by this late delivery, would mean several hours between here and Kingston therefore serious deterioration to this class of fruit. The Railway Company seem to find themselves complicated in this matter, having delivered to the U. F. Coy. the fruit embargoed without orders from the Judge, hence Mr. Burke was quite ready to ship the fruit with his own men. The cars were placed on the dock and every thing got ready to ship the fruit on behalf of the Atlantic Fruit Coy. There were even present two lawyers with their Protocols to witness the shipment. It is a great pity that we were not afforded the pleasure of seeing this shipment of bananas made by the Officials of the Northern Ry. and U. F. Coy. on behalf of the Atlantic Fruit Coy.

## Bible Students Association.

The International Bible Students' Association Hall was crowded on Sunday night last to its utmost capacity, so that many eager listeners had to stay on the corridor where they listened to the lecture given by Mr. V. E. Samuels. The subject was "The Kingdom of God." He proved beyond doubt that the Kingdom of God is not yet set up, and that none of the present kingdom is the Kingdom of God, but on the contrary. The kingdom of this world as the Scriptures style them which kingdoms will soon have to give place to God's Kingdom for which we often pray—"Thy Kingdom come Thy will be done on earth as it is in heaven."

### Promotions

Mr. Editor: Sir,—Permit me space in your valuable journal to ask a few questions which may be of public interest: Is it true that men are placed along the banks of the Moin river between Moin bridge and Blanco to see that no bananas are taken from farms that are said to be under contracts? Is it also true that when the Capt. of the Ob-truction Camp first invaded Moin that a Jamaican in conjunction with three Native, were chosen to run the culinary department of the regiment? And is it also true that that Jamaican has been promoted by way of a raise of pay? If so, how about the other labourers who were pressed into service? Are they to continue to obey the hands-behind-you command? Thanking you for space. I am etc., CLIMATUS.

### Minor Comes.

By the New Orleans boat this morning Mr. Minor C. Keith is expected to arrive along with his wife from Guatemala. It is said that his mission is purely on his Railroad and mining business. He expects to carry the project of the Rio Frio Railroad and the connection of his Pan American Railway Scheme. The Alban gares mines is also said to be demanding a lot of his attention.

The U. F. Coy's struggle may also engage him for a while. Mr. Keith must feel proud that his idea of the lease of the F. C. C. R. which was at first scomed at by the U. F. Coy's Directors is proving their only salvation today.
